MAZATLAN JUNGLE TOUR & STONE ISLAND BEACH  
TOUR

Depart from ship at 9:00 am. Experience Mazatlan's Jungle Tour by special boats through a protected wildlife preserve. Following the Jungle Tour, you will transfer by special "Island Limo" to Stone Island Beach for an island-style lunch (fish, chicken, salad, rice, beans, homemade tortillas and King David salsa) in a rustic restaurant. Beer, soft drinks, water and domestic drinks are included. Following lunch there is time for relaxing and swimming on miles of palm-lined beaches or take a horseback ride with Miguel. Our special guide Polo will narrate both ways. The return is unique as some very hungry pelicans will provide a photo opportunity like none you have seen before.
